April 2008

Happy April Fools Day on the 1st!

The President's Corner

What I like best about TCA is its fun, family atmosphere. All members enjoy the tennis and swimming, but TCA is different and better because we enjoy being at the club --- playing and socializing with our friends and families. Our *No Reservations* policy is more like a philosophy --- it isn't about the courts, it's about the *No Worries, Fun* environment at TCA. That environment originates with our members.

One of my goals for 2008 is to reach **100% Involvement**. Each member of TCA has something to offer our club: a helpful skill, a creative idea, hosting a mix-it-up, sponsoring a tennis tournament, decorating the clubhouse --- each person has the ability to get involved. I challenge and encourage each member of TCA to give back to the club that gives you so much. **Get Involved**; it's the people that make our club special!

I look forward to another fun year at TCA! Sheri Nevins
