Team Spirit Award - Lauren Howarth

High Points

13-14 Girls– Tara Cooksey

TCA SWIMMERS SHINE AT SUNDANCE

Wow what a season! We welcomed a new coaching staff this summer headed by Coach Jimmy Phillips. Jimmy's experience and contagious enthusiasm paved the way for a great season. Along with a great staff of assistant coaches Marley Pineda, Amelia Gunning, Tyler Kelly, Marissa Campbell, Seth Lemon and Jesse Young all helped in the success of the season.

TCA was a dominate force at the district meet leading the way for a great Championship meet. Sundance finals were so exciting with the kids swimming some impressive races. Our 13-14 girls had an unfortunate call during their Medley relay, hotly protested not only by our coaches but supported by other coaches the original call stood. In the wake of the disappointment the girls went on to win 1st in the freestyle relay and each of the girls placed top twelve or better in their individual events, way to go! All our relay teams placed top nine or better out of the seventeen teams in attendance, great team effort. I was so pleased to see the kids supporting and encouraging each other team spirit and sportsmanship are just as valuable as their athletic ability. All the swimmers worked hard and it showed.

Behind the scene were a lot of very helpful parents busily timing, place judging, handing out ribbons, setting up, cleaning up, chaperoning, cheering, driving here and there and generally lending their time and effort. Our team would not be possible without your help. Thank you Cathie for all your effort pre to post season paperwork, ordering shirts, suits, equipment, fielding questions and requests and always being available.

Wishing everyone a restful end to summer, a wonderful school year and I'm looking forward to another great season next year. See you all next summer.

Much love and thanks,
Susan Hunter
