## November/December 2016

New Mexico's middle school tennis program celebrated its 20<sup>th</sup> anniversary this year. The Jefferson Jet's season was a huge success with everyone participating, including beginners. Thank you to head coaches Liz Keefe and Loren Dils and assistant Jane Tabet!

High school preseason tennis is just around the corner with our beloved Albuquerque High team returning! Becky Lee and Liz Keefe will continue to coach the girls and Jon Roensch will be the new coach for the boys. We're excited for a great season!

As the USTA league season comes to a close, we'd like to thank the captains and co captains for such an incredible year. A lot of hard work, planning, coordination and time goes in to running a team and is done on a volunteer basis. TCA had a total of **39** teams play out of the club this year.

All court repairs for the year have been completed with the addition of Pickle Ball lines being added to court 10. Use of the court and Pickle Ball equipment can be arranged by contacting Liz or Monica at the club. A \$7.00 guest fee will be charged for all non-members to use the court.

The vote is in and the membership has approved a \$150,000 capital improvement loan. Details for the loan and what it will cover will be posted on the bulletin boards in the clubhouse as well as upcoming emails.

Our 60<sup>th</sup> Anniversary Party was well attended and a fantastic tribute to the endurance of TCA.

We sincerely thank the TCA Board of Directors and all the members who worked so hard to plan and help run the celebration.
