Introducing...ATAC Albuquerque Tennis Academy. ATAC is a high-intensity junior tennis academy geared toward helping tennis players 18 and under recognize their full potential as players on court and as people off it. Gui and his pros want to create a tight-knit, cohesive team of like-minded young players who can push one another and develop as a collective rather than a group of individuals. The philosophy revolves around going "all in" when it comes to the three core tenets: All Intensity, All Integrity, All Intelligence. For further detail, please contact Gui Dupont guillaumedupont@mac.com or Alex Mansfield mansfieldtennis505@gmail.com

Thank you to all our Singles Challenge Ladder players for a nice season and tournament! Congratulations to Dee Burton for winning the Women's Ladder and to Alex Mansfield for winning the Men's Ladder!

We are currently in the process of finalizing plans for the boys and girls bathroom remodel project and the resurfacing of the pool interior and deck repair. We hope to begin construction the week of February 13th. We'll be posting all the details and updating the membership every step of the way. There will also be a suggestion/question box available. We'd especially like to thank Chuck Maguire for his tireless efforts in helping draw up the plans and Lori Addison for her expertise with the interior details. This is an exciting time for the club and we're looking forward to a really great Spring and Summer!
