October 2017

Our pool season officially ended September 17th. We had a record number of Summer Family Swim memberships and met a lot of great new people. We sincerely thank all of you for spending a great summer with us. We're already planning for next year which promises to be even better!

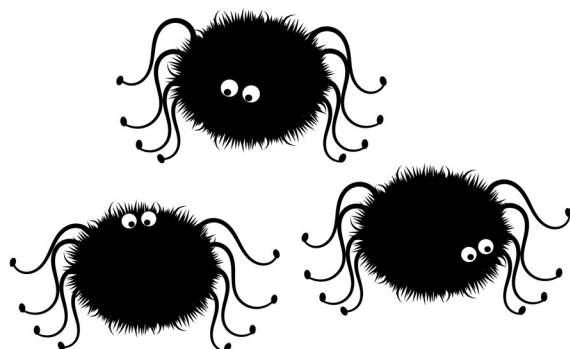

USTA 40+Over League Season is underway and runs through November 12th. Playoffs will take place November 18th and 19th.

Congratulations to our USTA 18+U Junior Team Tennis players who recently competed in the National Championships! The matches were played at the new USTA National Center in Orlando, FL the last weekend of September. TCA tied for 11th place after struggling through many rain delays. Their flight had the eventual champions from Northern California. TCA won the SPIRIT AWARD and had an overall great weekend! We're very proud of their representation.

TCA Singles Challenge Ladder will begin Monday, October 23rd and run through January 21st, 2018. The tournament dates are yet to be determined. Signup sheets are posted on the bulletin board in the clubhouse. The Ladder is a great way to keep competing during the Fall and Winter months and to meet new people to play with.

ATAC Albuquerque Tennis Academy. ATAC is a high-intensity junior tennis academy geared toward helping tennis players 18 and under recognize their full potential as players on court and as people off it. Gui and his pros want to create a tight-knit, cohesive team of like-minded young players who can push one another and develop as a collective rather than a group of individuals. The philosophy revolves around going “all in” when it comes to the three core tenets: All Intensity, All Integrity, All Intelligence.
