In addition to the pool resurfacing, deck repairs and outdoor bathroom updates; the annex, fitness center, front of the club and the wall along Indian School have been painted! Our next membership approved project will be the court lighting. This is a more complicated process and will take some time. We're very excited about all the improvements to the TCA!

TCA Singles Challenge Ladder began Monday, October 23rd and will run through January 21st, 2018. The tournament dates are yet to be determined. Any players wishing to add on to the ladder may sign up on a waiting list. Should a ladder position be vacated, a person on the list will be added to the slot.

ATAC Albuquerque Tennis Academy. ATAC is a high-intensity junior tennis academy geared toward helping tennis players 18 and under recognize their full potential as players on court and as people off it. Gui and his pros want to create a tight-knit, cohesive team of like-minded young players who can push one another and develop as a collective rather than a group of individuals. The philosophy revolves around going "all in" when it comes to the three core tenets: All Intensity, All Integrity, All Intelligence.
