ATAC Albuquerque Tennis Academy. ATAC is a high-intensity junior tennis academy geared toward helping tennis players 18 and under recognize their full potential as players on court and as people off it. Gui and his pros want to create a tight-knit, cohesive team of like-minded young players who can push one another and develop as a collective rather than a group of individuals. The philosophy revolves around going “all in” when it comes to the three core tenets: All Intensity, All Integrity, All Intelligence.
