Introducing...ATAC Albuquerque Tennis Academy. ATAC is a high-intensity junior tennis academy geared toward helping tennis players 18 and under recognize their full potential as players on court and as people off it. Gui and his pros want to create a tight-knit, cohesive team of like-minded young players who can push one another and develop as a collective rather than a group of individuals. The philosophy revolves around going "all in" when it comes to the three core tenets: All Intensity, All Integrity, All Intelligence. Happy New Year!!

I would like to thank all TCA Members and our Terrific Staff for a Wonderful 2016! It is such a pleasure to be a part of this great club! I am looking forward to another great year and all of the improvements to come, especially the boy's and girl's bathroom remodel and new pool deck and pool interior. Starting the New Year off is our New ATAC Tennis Academy! Next up is the singles ladder championship at the end of January, Intraclub Doubles starting in February, USTA League in March and our NTRP Prize Money Tournament in April...more to come as the year goes! It will be a fun packed year! Enjoy!

Thanks,

Liz
