The Summer Family Swim Memberships have nearly doubled from previous years! To better accommodate our members, we've purchased extra tables, chairs and umbrellas. The snack bar, now known as The Cadillac Café, is being run by our member Roxanne Guerra and has been busier than ever! The TCA Torpedos finished a strong season and placed 3rd in Sundance with Coach Jimmy Philips leading for his 10th season with us!

We successfully completed several major projects including court repairs, the resurfacing of our swimming pools, pool deck repairs, major updates to the outside restrooms and painting around the pool area.

The next projects up are the painting of the perimeter of TCA, the Annex and Fitness Center, and new tennis court lights for courts 1,2, & 3. We'll keep you updated as these projects proceed!
