## March 2025

### USTA 18+ 2025 League Season is here!

The courts will be very busy and we'll be sending out weekly emails & text updates with specific court availability.

### DAYLIGHT SAVING TIME

begins Sunday, March 09th. Don't forget to Spring forward your clocks!

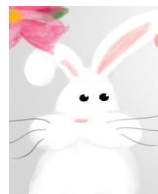

### TCA IS EXCITED TO ANNOUNCE OUR LOAN HAS BEEN APPROVED FOR OUR COURT PROJECT!

Because we do not want to have two of our tennis courts and all of our pickle ball courts under demolition during our busiest summer months, we have made the decision to begin the project towards the end of our summer sessions. This also gives us time to complete our permitting process and lock down start dates with all of our contractors. This means that we will begin demolition of courts 6, 7, 10 and 11 in the last few weeks of July or the very start of August at the latest. We expect to finish the entire project by the end of October, if everything goes to schedule. Courts 6, 7, 10 and 11 will not be available for play for the duration of construction. David will set up temporary pickleball lines for our pickleball members on court 12 once construction begins.

## Upcoming Events

Monday, March 17th is  
St. Patrick's Day

Sunday, April 20th is Easter Sunday.

Our first social event of the season will be in April. Stay tuned for some fun & exciting events ahead!

We're excited to announce the lights for courts 2 & 3 have been ordered! Arrival date is March 18th and installation to follow.

**An angel donor is willing to donate \$50,000.00 if we can match it. TCA is a quarter of the way there...**

**Please consider giving whatever you can. A donation in any amount is highly valued.**

The completion of the project would give TCA members 9 lit courts, 2 brand new unlit tennis courts, and 4 brand new unlit pickleball courts with lights ready to be installed within a few years if not sooner.

**We can't thank everyone enough for their efforts with fundraising and the donations we've received.**
