TCA turns 70!

Help light the future! Founded in 1956, TCA is celebrating 70 years of tennis, community, and growth. As we mark this milestone, the club continues to invest in improvements that will benefit members for years to come. Our next project is installing lights on our newest courts 6 & 7. In a fitting tribute to our founding year each of the 20 light fixtures costs **\$1956.00**. What better 70th birthday gift for TCA than helping bring these courts to light? A generous member has offered to match donations dollar-for-dollar up to \$20,000. Help us complete this exciting project! Thank you for being part of our story and our future!

Congratulations to Cole Segura on his promotion to Assistant Pro! Please welcome Gavin Lynch as our new assistant pro!

More on the new pros coming soon.
